### Parental Permission Form for Minor Volunteers

\_\_\_\_\_ (print name) has my permission to volunteer at Blandford Nature Center.

I am aware of the job requirements for the assignment my child has chosen to perform and will encourage his/her participation and fulfillment of those requirements. I understand that my child will be supervised by a Blandford Nature Center employee and/or an intern staff member while volunteering.

I agree to provide transportation to and from Blandford Nature Center and will inform my child of those transportation arrangements.

I recognize and accept that having my child volunteer in a public institution may expose him/her to risks and situations that are new or different from what my child and I are used to and which may be beyond the Nature Center's control.

If my son/daughter is injured or becomes ill while volunteering I give my permission to the Nature Center and its staff to seek emergency transportation and medical treatment. I understand that in the event medical treatment is necessary, the hospital and/or the private corporation of physicians staffing the emergency room will bill me for the services rendered. I understand that I will be responsible for the payment of all costs incurred for this treatment. I understand that Blandford holds general liability coverage that extends to all volunteers while working on behalf of Blandford Nature Center.

I understand that volunteering for this event has risks associated with it affected by the weather, work environment, equipment, and interaction with people. I release Blandford Nature Center and its staff from responsibility and liability for any injury or loss of property that my child may sustain at Blandford Nature Center.

I **do / do not** (*circle one*) allow Blandford Nature Center to use photographs of my child for promotional purposes.
