

Membership Changes Beginning March 1, 2018

As we continue to grow our land and facilities, as well as our programming for the community, Blandford Nature Center’s operating costs grow as well. Beginning March 1, 2018, pricing for Individual and Family-level memberships will increase to \$45/year and \$70/year, respectively. Feel free to renew your membership early to lock in our current prices of \$35/Individual and \$50/Family.

Because cost can be a barrier to membership for some, we are offering a reduced-rate for Individual and Family level memberships for \$25 for those that need financial assistance. Folks can self-report if their combined household income falls within 133% or less of the Federal Poverty Level Guidelines. Those who want to take advantage of this reduced rate can visit Blandford Nature Center or call 616-735-6240 ext. 107 to speak to our Development team. Please refer to the table below to see if you qualify.

# of Persons in Household	133%
1	\$16,039.80
2	\$21,600.00
3	\$27,156.00
4	\$32,178.00
5	\$38,277.00
6	\$43,836.80
7	\$49,396.00
8	\$54,955.60

Additions to Basic Membership Benefits:

- Complimentary snowshoe rentals for members, as available
- 10% discount on event rental fees

New Grandparent Level:

Due to demand, a Grandparents level has been added. Benefits include:

- Free admission for two cardholders and their grandchildren (when accompanied by cardholder/s)
- Basic benefits (gift shop, program and rental discounts, ANCA reciprocal admission, newsletter, free snowshoe rentals, Wildlife Care Experience discounts, CSA discounts)
- Early and discounted summer camp registrations
