

Photography Policy

Blandford Nature Center provides a beautiful backdrop for photographs. We welcome the opportunity to host photographers and their clients for photography sessions.

Photography Membership

Blandford's Photography membership is \$100 per year. This allows the photographer to bring up to 8 clients at a time on every visit. The photographer can visit multiple times per day. It also gives all the perks of a regular membership, including discounts on programs, etc.

All photographers must purchase a Photography membership or pay the admission fee for themselves and all clients (\$3/person over 2 years old). Photography members are allowed on the grounds from dawn until dusk.

Before scheduling your sessions, please call 616-735-6240 to find out if any events will be taking place in the area in which you would like to shoot on a particular day. Any programs and events held at Blandford have priority use.
